

Cover Letter about: Front-end web developer

Dear Sir/Madam,

I am writing to express my interest in the Front-end Web Developer position that I saw posted on your LinkedIn page.

I am currently in my first year of Higher Vocational Training in Multiplatform Application Development. As you will see from my CV, I am working on some personal projects with several programming languages required for this position, such as PHP and MySQL. In addition, I have strong knowledge of JavaScript and experience with various frameworks.

I am punctual, hard-working, and always eager to learn and stay up to date with new technologies. Furthermore, I have experience as an IT Technician, which has allowed me to understand how professional work environments operate and has strengthened my problem-solving skills.

I am confident that my technical skills and motivation make me a suitable candidate for this position. Please find my CV attached for your consideration.

I look forward to hearing from you.

Yours sincerely,
Juan Manuel
